

Dear Medicaid Beneficiaries, Advocates and Others:

Sitrin is part of a Performing Provider System (PPS) under New York State's Delivery System Reform Incentive Payment (DSRIP) program. DSRIP focuses on health care system transformation, where providers work to improve and coordinate community based, primary care, mental health and preventive care services. The lead PPS organization in our area is Central New York Care Collaborative, Inc. (CNYCC).

We participate in certain projects in the CNYCC PPS, including the following:

- 2.a.i. – Create Integrated Delivery Systems that are focused on Evidence-Based Medicine/Population Health Management
- 2.b.iv. – Care transitions intervention model to reduce 30 day readmissions for chronic health conditions
- 3.g.i. – Integration of palliative care into the PCMH model.
