

“CARE IN PLACE”

Because Sitrin Long-Term Care is part of the same care community as our medical/rehabilitative care facilities and offers the benefits of a highly trained nursing staff, we are able to provide our patients with a broader range of services, thereby minimizing the need for hospital care. This “Care in Place” philosophy results in fewer transfers to other medical centers—that means less disruption of daily life and higher degree of comfort for our residents, as well as greater peace of mind for their families.

THE SITRIN ADVANTAGE

DEDICATED THERAPISTS

Sitrin provides a therapeutic team dedicated exclusively to the care of long-term residents. Our skilled nursing staff develops an individualized care plan for every resident, working as a team to respond quickly and effectively to each person's changing needs. In addition, residents benefit from the programs and services available through the Sitrin Medical Rehabilitation Center, one of the area's most advanced medical rehabilitation programs.

RECREATIONAL THERAPIES

Our residents enjoy a variety of recreational therapies designed to help them stay active and in good spirits. Our staff is always there to help residents get the most out of their time.

DEDICATED CONDITIONING GYM

A general conditioning gym is provided specifically for long-term residents, helping them to maintain optimum strength and mobility.

DEMENTIA DAY PROGRAM

Our in-house dementia day program provides structured daylong activities for residents with alternative needs, helping them to retain a greater sense of identity and purpose.

NUTRITIOUS, HOME COOKED MEALS

Each resident's menu is developed by our registered dietary staff to accommodate specific needs and restrictions.

FAMILY RESPITE CARE

If your loved one is not a resident of Sitrin and you are providing 24-hour care, we understand your need for personal time. Our Respite Care provides a short-term stay for your loved one so you can have time for yourself. A reservation is needed for respite care, and our social workers will be happy to assist you.

At the heart of this commitment is Sitrin's skilled nursing staff—dedicated professionals who deliver compassionate care for our residents in a safe and homelike environment.
